

## Psychiatric/Therapeutic/Emotional Support Animal Authorization

**General Information:**

Pursuant to the Department of Transportation (DOT) guidance for the carriage of service animals, Icelandair requires a passenger with a qualified disability traveling with a psychiatric/therapeutic/emotional support type animal to obtain documentation from their medical/mental health professional.

- This form is valid for 6 months from the date the licensed medical or mental health professional treating the person has signed this form.
- Other documentation may be required for travel entering or exiting an international location.
- Service animals must be properly harnessed for the duration of the flight. Small animals may remain in the passengers lap during the flight. If a carrier will be used, it must meet the USDA guidelines and fit under the aircraft seat.

**Instructions:**

*Medical/Mental Health Professional:*

Please complete this form or provide the passenger with a written statement containing the information on this form on your practice letterhead.

*Passenger:*

Send a copy of the form or written statement to Icelandair via email ([telephonesales@icelandair.is](mailto:telephonesales@icelandair.is)) business days prior to travel for documentation verification (by contacting your health care professional). Please retain the original form or your medical/mental health professional statement in your possession while traveling and be prepared to present it to airline representatives.

*Sales Agent:*

Verify documentation. Complete SSR in the PNR with PETC APPROVED BY REVENUE MANAGEMENT

*Airport Agent:*

Verify the passengers' documentation and SSR information in the PNR. Verify the animal meets the requirements (i.e., behavior) to travel in the passenger cabin free of charge.

**Note: With respect to an animal used to assist a qualified individual with a disability, the animal must be trained to behave appropriately in a public setting. Animals found not to have been trained to behave will only be accepted in accordance with Icelandair's current pet policies or may be denied boarding.**
